

TD Canada Trust Junior
Rider Show Bursary

The London Dressage Association is pleased to announce the 2017 TD Canada Trust Junior Rider Show Bursary valued at \$300 to be used for show expenses of riders aged 14 years and under. The intention of this sponsorship by the TD bank is to facilitate the participation of young riders in dressage shows including our local LDA shows, or shows such as those at Palgrave or provincial championships. The TD Bank has mandated that this award be given based primarily on need. Dedication of the applicant to the sport, and active efforts to make the riding and showing possible will also be considered. To apply for the Bursary, please email a letter of application to Lynne Weaver (LDA Sponsorship) at lcweaver@robarts.ca. Explain how receipt of this bursary will permit your participation in shows that otherwise might not have been possible due to financial constraints. You need not reveal details of your personal finances but give general statements to support your need. The letter should be composed by the rider with assistance of a parent or coach. The closing date for application will be September 30, 2017. This award will be presented at the Annual General Meeting/Year End Awards.
