

High Point Awards for riders in Levels 2 – 4.

The London Dressage Association is pleased to announce two new high point awards valued at \$200 each that will be given at the Annual Awards Banquet. They will be awarded to an open division member and an adult amateur or junior member competing at levels 2 through 4. Competitors in bronze and silver divisions will be considered. The intention of the award is to recognise the effort required to reach these higher levels in dressage. The awards will be given to horse/rider combinations with the highest cumulative score from their three best tests. The rider/horse combination must show in at least two technical tests in each of three shows. Scores in the test of choice will qualify. The two awards are sponsored by Sue Reed (open riders) and Katie Crossan, Crossan Equine Services (AA/Jr riders).
