

Kilbyrne Farm Young Rider Show Bursary

The London Dressage Association is pleased to announce the Kilbyrne Farm Young Rider Show Bursary valued at \$300 to be used for show expenses of LDA members aged 18-25 years (as of the last show on September 6, 2020). The intention of this bursary is to facilitate the participation of young riders in dressage shows including our local LDA shows or shows such as those at Palgrave or provincial championships. This award will be given based on need, dedication of the rider to the sport, evidence of commitment to and partnership with their horse, consistency of training and active efforts by the applicant to make riding and showing possible. To apply for the Bursary, please email a letter of application to Lynne Weaver (LDA Sponsorship) at lcweaver@robarts.ca. You need not reveal details of your personal finances but should give general statements to support your need. The closing date for application will be September 30, 2020. This award can be used to reimburse the recipient for 2020 show expenses or for the 2021 season. If you will use it for this year's expenses, please document the 2020 shows you entered to date.
